CHRISSIE BIXLER CARNELL IS A RELIGIOUS HATER (//KATHYGOLD.WEEBLY.COM/LOVE/CHRISSIE-BIXLER-CARNELL-IS-A-RELIGIOUS-HATER)

9/4/2018

I tweeted her to give her a heads up (ie the right thing to do) cause the evidence online was no longer being authenticated in the news.

After telling her my story she asked me why I was a Scientologist and after explaining it to her, she got hostile, mean and abusive.

Chrissie Bixler Carnell had no compassion, no empathy nor understanding for what happened to me, instead she attacked me cause I'm a Scientologist. This is not the correct emotional response especially since she claims to be a victim of this church's management team.

She abused a person with numerous PTSDs and the victim of sexual abuse and hate crimes.

Chrissie Bixler Carnell showed her true colors. I won't be assisting nor helping her in any way, shape and form.

For real victims of this church's management team that are not religious haters, you can fight back using your free speech, don't let people like this Chrissie Bixler Carnell abuse you, don't put up with their abuse and fight back against religious haters and abusers like Chrissie Bixler Carnell.

I wonder whose gonna drop dimes on her with child services? The FBI, the LAPD, This Church's mangement team, Danny Masterson, other victims, who or whom? (http://kathygold.weebly.com/money/chrissie-bixler-carnells-story-on-tony-ortega-blog-has-been-deleted)

Then Tony Ortega will post on his blog accusing this church's management team when it was somebody else, another person she abused.

Will be fun to watch, pass the popcorn, drama rama.

1.1's Are Vampires Full Of Corruption And

She's self absorbed and self obsessed and she's abusing Scientologists and victims of this church's management team.

She has no compassion, no empathy nor understanding, it's all about her, her and her. I believe she jumped on the metoo movement for free PR so she and her husband can capitalize off my religion Scientology and she thinks she's the leader of anonymous, the Evey H character.

This is my opinion, evaluation of her based on my interaction with her.

My aces btw aren't anons LMAO, nope, not a bunch of little kids in costumes and masks LMAO that would be law enforcement all over the USA, did you know for helping me ie doing their jobs, they'll get fast tracked on pay raises on the Federal pay scale. LMAO. Besides the FBI, there's the Black Ops FBI ie the night shift, the DOJ, the Black Ops DOJ ie the night shift, CIA, NSA, Secret Service, Homeland Security etc etc or LMAO. Like I said, everybody gets paid with me.

9/4/2018 12:57am I just logged into my Scilon twitter account and Chrissie Bixler Carnell is trying to get an online mob to attack me. This is against the law and will now be authenticated on my FedCourt.info (<http://www.fedcourt.info/>) of abuse by religious haters.

I think Chrissie Bixler Carnell is attacking other victims online ie social media and possibly offline, which is against the law. Any victims of Chrissie Bixler Carnell, please make your reports to the LAPD and/or FBI. Don't forget, if possible get her attacks and her accomplices attacks on video otherwise she'll lie and say you did it to her.

Chrissie Bixler Carnell aka Chrissie Carnell-Bixler is trying to manipulate her social media, on the outside, the front, it appears I'm attacking her, but she's not showing the entire story where she abused me cause I'm a Scientologist and attacked my religion. This is manipulative.
